## **MMYC Yard Storage Policy June 2016**

**1. The principal aim is to store Yachts for Sailing.**

**2. Storage is also available for a limited number of kayaks and standup paddle boards. Yachts take precedence over kayaks.**

### **3. Process**

**Application for Storage will be sent to all members annually with annual fee invoice. This must be filled out, signed and returned with fees.**

**On receipt of fees current sticker will be attached to craft. If no place to attach tag is on craft the number will be marked on craft by texta.**

**4. All craft no matter what size must be registered and identified. Unidentified craft will be removed .**

**5. Kayaks and boards stored within members allocated yacht position must be registered and will attract normal charge.**

**6. Process to bring extra craft into yard for new and existing members during season.**

**6.1 Fill out Application for Yard Space and pay fee.**

**6.2 Receive approval and registration tag from Yard Manager .**

### **7. Casual Storage**

**Contact Yard Manager for approval.**
